### Day 1 Urbana, Tuscola, Arcola, and Sullivan

The whole family can enjoy getting creative and hands-on with some impressive 3D printing and embroidery tech at the Champaign-Urbana Community Fab Lab. Then, stop in Tuscola for a quick bite to eat at **Flesor's Candy Kitchen**, which of course means grabbing some sweet treats too.

Next, take a drive to Arcola to experience wildlife up close and personal at **Aikman Wildlife Adventure**. Drive-thru tours and close encounters with hyenas, zebras, and more provide a fun afternoon you can't find at a traditional zoo. Before departing Amish Country, be sure to stop in Sullivan to explore **Wyman Park**, which boasts 40+ acres of outdoor recreation area and the postcard-perfect Wyman Lake for fishing and a waterfront picnic.

Lastly, put your teamwork to the test in a themed escape room at the New York Times-featured **CU Adventures in Time and Space** to wrap up the day.

### Day 2 Mahomet and Champaign

Let's kick off the day with a round of Foot Golf at **Lake of the Woods** in Mahomet. After working up an appetite, head back to Champaign for delicious chicken (and adult slushies for the grown-ups) at **Watson's Shack & Rail**.

Finally, finish up the day stopping for candy apples and popcorn at the CBPB Popcorn Shop and enjoying the treats at Centennial Park before heading to the Sholem Aquatic Center, which features incredible water slides and a relaxing lazy river.

### Day 3 Urbana

Before heading back home, make a stop for breakfast at the **Courier Café**. If you're getting a bit of a late start, no rush! Courier is also known for some incredible hamburgers and hand-spun milkshakes!
