

PRESENTS

Wade in the Water

a concert of Spirituals

No music inspires and moves us like the Spiritual. Mighty and life-affirming, their profound and uplifting message points the way toward a world of justice and love.

Hear the world premiere of our new commission from Grammy Award-winning arranger Joseph Jennings, plus the premiere of artistic director Jonathan Miller's *Old Testament Spirituals*, at this moving and jubilant new concert.

**SPECIAL OFFER
for the Bronzeville Historical Society
Buy One, Get One Free!**
